OVERVIEW

Recent BCA graduate from Acharya Institutes with a strong passion for computer science and full-stack web development. Proficient in the MERN stack (MongoDB, Express.js, React, Node.js) along with Git, RESTful APIs, and modern JavaScript. Eager to apply academic learning in real-world projects, contribute effectively to a development team, and gain hands-on experience to further enhance my skills in web application development.

SKILLS

- **Technical skills:** JavaScript, MongoDB, Express.js, React, Node.js
- **Communication**: English, Tamil, Malayalam (written and oral)

INTERNSHIP

- JAVA Full Stack Development (Cranes Varsity)

PROJECT

- **NOTE SPACE:** Created an application to store memories with text and images using **React** as front-end and **Java Spring boot** as Back-end and stored the data in **MySQL** and authentication using **Clerk**.
